

CLASS 3 SAFETY VEST

Class 3 Short Sleeve Safety Vest

OrangeGear™ Class 3 Safety Vest is made with breathable polyester mesh and features two pockets, two-tone safety stripes, and a zipper closure.

All safety stripes are reflective and bordered by high-visibility contrasting color. Vests have two stripes across the chest and over the pocket, one stripe around the waist, and two extra long stripes down the chest and back.

Mesh safety vests dry quickly and are ideal for hot weather. They are durable, comfortable, and machine-washable.
